

### **Datasea kicks off 2023 with high-profile client win**

Recently, Datasea has been awarded the contract for a hospital equipment procurement project in Heilongjiang Province. The Heilongjiang Province Government Procurement Network publicly announced that Datasea had been successful in the bid for the equipment procurement project of the Tieli City Fangcang Hospital and the designated hospital in Yichun City. The contract includes the provision of Datasea disinfection and sterilization equipment and apparatus, including air sterilization machines, disinfection machines, and accessories, with a total contract value of RMB 436,188.00.

As per the procurement contract signed on December 27th, 2022, the company is committed to completing the provision of the necessary disinfection and sterilization equipment and apparatus products within 30 days, and will receive full payment upon successful acceptance. It is widely acknowledged that government procurement projects are characterized by stringent requirements and rigorous reviews, making it a true measure of a company's comprehensive strength.

Datasea is thrilled to have been recognized for our disinfection and sterilization equipment technology and various indicators by high-profile customers. This contract award is a testament to the company's commitment to providing high-quality solutions and services to our valued clients.
