WHAT PROPOSALS WILL BE ADDRESSED AT THE ANNUAL MEETING?

We will address the following proposals at the Annual Meeting:

1. To elect Zhixin Liu, Fu Liu, Ling Wang, Douglas M. Osrow and Michael James Antonoplos, each to serve until the next annual meeting of shareholders or until their respective successors shall have been elected and qualified;

Stockholders who owned shares of our common stock at the close of business on the Record Date are entitled to vote at the Annual Meeting on all matters properly brought before the Annual Meeting. On the Record Date, we had 20,943,846 shares of issued and outstanding common stock entitled to vote at the Annual Meeting.

HOW MANY VOTES DO I HAVE?

Each share of common stock is entitled to one vote on each matter presented at the Annual Meeting.

HOW DO I VOTE MY SHARES?

To vote by proxy using the enclosed proxy card (only if you have received a printed copy of these proxy materials by mail), complete, sign and date your proxy card and return it promptly in the envelope provided. If you intend to vote by proxy, your vote must be received by 11:59 pm, local time, on November 15, 2020 to be counted.

If you are a “street name” holder, you are considered the beneficial owner of shares held in street name and your broker or nominee is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker on how to vote your shares.

If you are a registered stockholder of record, meaning that your shares are registered in your name, you have the following voting options. You may vote:

- by facsimile by completing the reverse portion of the Proxy Card and fax it to 760-452-4423, or
- by signing and dating your proxy card and mailing it as instructed on the card.

WHY WOULD THE ANNUAL MEETING BE POSTPONED?

The Annual Meeting will be postponed if a quorum is not present on November 16, 2020. The presence in person or by proxy of the holders of shares of capital stock issued and outstanding entitled to vote thereat representing at least a majority of the votes entitled to be cast thereat, present in person or represented by proxy will constitute a quorum and is required to transact business at the Annual Meeting. If a quorum is not present, the Annual Meeting may be adjourned until a quorum is obtained. Abstentions and broker non-votes are treated as shares present or represented at the meeting, but are not counted as votes cast. Shares held by brokers who do not have discretionary authority to vote on a particular matter and who have not received voting instructions from their customers are not counted or deemed to be present or represented for the purpose of determining whether stockholders have approved that matter, but they are counted as present for the purposes of determining the existence of a quorum at the Annual Meeting.

HOW DO I VOTE BY PROXY?

We urge you to complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you properly fill in your proxy card and send it to us in time to vote, your proxy (one of the individuals named on your proxy card) will vote your shares as you have directed. If you sign the proxy card but do not make specific choices, your proxy will vote your shares as recommended by the Board of Directors (the “Board”) as follows:

- FOR the election of the Board’s nominees to our Board of Directors.
- FOR ratification of the appointment of independent registered public accounting firm for the year ending June 30, 2020.
- FOR approval, on an advisory basis, the compensation of the Company’s named executive officers as disclosed in this proxy statement.
- FOR approval of the recommendation by a non-binding advisory vote the frequency of future non-binding advisory votes on the compensation of the Company’s named executive officers.

If any other matters are presented, your proxy will vote in accordance with his or her best judgment. At the time this proxy statement was printed, we knew of no matters that needed to be acted on at the Annual Meeting other than those discussed in this proxy statement.

MAY I REVOKE MY PROXY?

If you give a proxy, you may revoke it at any time before it is exercised. You may revoke your proxy in the following ways:

- You may send in another proxy with a later date.
- You may notify us in writing (or if the stockholder is a corporation, under its corporate seal, by an officer or attorney of the corporation) at our principal executive offices before the Annual Meeting that you are revoking your proxy.

WHAT VOTE IS REQUIRED TO APPROVE EACH PROPOSAL?

Proposal 1: Election of Directors

A plurality of the eligible votes cast is required to elect director nominees, and as such, the five nominees who receive the greatest number of “For” votes cast by stockholders, entitled to vote at the meeting, will be elected. A nominee who receives a plurality means he or she has received more “For” votes than any other nominee for the same director’s seat. Broker non-votes will have no effect on this proposal.

Proposal 2: Ratification of Appointment of Independent Registered Public Accounting Firm

The approval of Proposal 2 requires the affirmative vote of at least a majority of the shares present in person or by proxy and entitled to vote on the matter. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

Proposal 3: Approval of the advisory vote approving the compensation of our named executive officers.

The approval of this Proposal requires the affirmative vote of at least a majority of the shares present in person or by proxy and entitled to vote on the matter. Broker non-votes will not be taken into account in determining the outcome of the proposal, and abstentions will be counted as votes against the proposal.

Proposal 4: Recommendation by a non-binding advisory vote the frequency of future non-binding advisory votes on the compensation of our named executive officers.

You may vote every “1 year”, “2 years” or “3 years” for the frequency of the advisory vote on executive compensation, or you may “abstain” from voting. Because stockholders are given the option to vote on a number of choices, no voting standard is applicable to this advisory vote and it is possible that no single choice will receive a majority vote. Moreover, because this vote is non-binding, the Board may determine the frequency of future advisory votes on executive compensation in its discretion.

Other Business That Is Properly Brought Before the Annual Meeting.

If you do not give instructions to your bank or brokerage firm, it will nevertheless be entitled to vote your shares in its discretion on “routine matters.” However, absent your instructions, the record holder will not be permitted to vote your shares on a non-routine matter, which are referred to as “broker non-votes,” properly brought before the meeting. The term “broker non-vote” refers to shares held by a brokerage firm, bank or other nominee (for the benefit of its client) that are represented at the meeting, but with respect to which such broker or nominee is not instructed to vote on a particular proposal and does not have discretionary authority to vote on that proposal. Brokers and nominees do not have discretionary voting authority on certain non-routine matters and accordingly may not vote on such matters absent instructions from the beneficial holder. Discretionary items are proposals considered “routine” under the rules of the New York Stock Exchange (also applicable to NASDAQ-listed companies), such as the ratification of our independent registered public accounting firm and the proposal to approve the reverse stock split. Non-routine items for which brokers and nominees do not have discretionary voting power include the election of directors.

ARE THERE ANY RIGHTS OF APPRAISAL?

The Board of Directors is not proposing any action for which the laws of the State of Nevada, our certificate of incorporation or our bylaws provide a right of a stockholder to obtain appraisal of or payment for such stockholder’s shares.

WHO BEARS THE COST OF SOLICITING PROXIES?

We will bear the cost of soliciting proxies in the accompanying form and will reimburse brokerage firms and others for expenses involved in forwarding proxy materials to beneficial owners or soliciting their execution.

GOVERNANCE OF THE COMPANY

Our Board of Directors

Our Board of Directors oversees the business affairs of the Company and monitors the performance of management. The Board held 7 meetings during 2019. In addition to meetings of the full Board of Directors, our Board has established an Audit Committee, Compensation Committee, and Nominating and Corporate Governance Committee. During 2019, these Board committees held an additional 9 meetings during the year. Specifically, the breakdown of the committee meetings for 2019 are as follows: 5 for the Audit Committee, 2 for the Compensation Committee, and 2 for the Governance Committee. We believe that such interaction between fellow Board members and with management provided proper oversight of the Company. Each incumbent director attended at least 75% of the total number of meetings of the Board of Directors and committee meetings of which such director was a member (held during the period for which such director was in office).

Our Board is currently comprised of five members, three of which are independent directors per the NASDAQ Stock Market rules. To date, we believe the size of our Board has been sufficient for a company of our size. However, as our company grows and further develops our product candidates, our Board has indicated that at the appropriate time it would like to add one additional director that would provide the Board with additional experience and skills.

Board Committees

We established a Nominating and Corporate Governance Committee, an Audit Committee and a Compensation Committee. Our Board of Directors has adopted and approved a charter for each of these standing committees. The charters, which include the functions and responsibilities of each of the committees, can be found on our web site at <http://www.dataseainc.com>.

Audit Committee

Stephen Wong, Tongjun Si and Ling Wang are the current members of our Audit Committee and Stephen Wong serves as the chairperson. Each member of our Audit Committee meets the independence standards promulgated by the SEC and by NASDAQ as such standards apply specifically to members of audit committees. We adopted and approved a charter for the Audit Committee. In accordance with our Audit Committee Charter, our Audit Committee shall perform several functions, including:

- evaluate the independence and performance of, and assesses the qualifications of, our independent auditor, and engages such independent auditor;
- approve the plan and fees for the annual audit, quarterly reviews, tax and other audit-related services, and approves in advance any non-audit service to be provided by the independent auditor;
- monitor the independence of the independent auditor and the rotation of partners of the independent auditor on our engagement team as required by law;
- review the financial statements to be included in our Annual Report on Form 10-K and Quarterly Reports on Form 10-Q and reviews with management and the independent auditors the results of the annual audit and reviews of our quarterly financial statements;
- oversee all aspects our systems of internal accounting control and corporate governance functions on behalf of the board;
- review and approves in advance any proposed related-party transactions and report to the full Board of Directors on any approved transactions; and

It is determined that Stephen Wong possesses accounting or related financial management experience that qualifies him as an “audit committee financial expert” as defined by the rules and regulations of the SEC.

Compensation Committee

Ling Wang, Stephen Wong and Tongjun Si are the current members of our Compensation Committee and Ling Wang is the chairperson. All members of our Compensation Committee are qualified as independent under the current definition promulgated by NASDAQ. The Board adopted and approved a Charter for the Compensation Committee. In accordance with the Compensation Committee's Charter, the Compensation Committee shall be responsible for overseeing and making recommendations to the Board regarding the salaries and other compensation of our executive officers and general employees and providing assistance and recommendations with respect to our compensation policies and practices.

Nomination and Corporate Governance Committee

Tongjun Si, Ling Wang and Stephen Wong are the current members of our Nomination and Corporate Governance Committee and Tongjun Si serves as the chairperson. All members of our Nomination and Corporate Governance Committee are qualified as independent under the current definition promulgated by NASDAQ. The Board adopted and approved a Charter for the Nomination and Corporate Governance Committee prior to consummation of this offering. In accordance with the Nomination and Corporate Governance Committee's Charter, the Nomination and Corporate Governance Committee shall be responsible to identify and propose new potential director nominees to the Board for consideration and review our corporate governance policies.

Independence of the Board

As required under the Nasdaq Stock Market listing standards, a majority of the members of a listed company's Board of Directors must qualify as "independent," as affirmatively determined by the Board. Our Board has undertaken a review of the independence of each director. Based on information provided by each director concerning her or his background, employment, and affiliations, our Board has determined that Stephen Wong, Tongjun Si and Ling Wang do not have relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors is "independent" as that term is defined under the listing requirements and rules of Nasdaq. In making this determination, the Board found that none of these directors had a material or other disqualifying relationship with the Company.

Board Member Attendance at Annual Meetings

We do not have a formal policy regarding Board attendance at our annual meetings, however, all of our directors are invited to the annual meeting and all of our directors at the time attended our prior annual meeting.

Board Leadership Structure and Role in Risk Oversight

Zhixin Liu serves as both our Chief Executive Officer and Chairman of the Board. Our Board has no policy with regard to the separation of the offices of Chairman of the Board and Chief Executive Officer, and believes, given the size of our company, it is appropriate for Zhixin Liu to serve in both roles. Currently, we do not have any independent director who serves as the Lead Independent Director of our Board. Our management is responsible for managing risks in our business, including developing processes to manage and monitor risks. The Board views its role as one of oversight. The Board focuses on understanding management's risk management systems, the effectiveness of those systems, and the way in which management proactively manages risks. In addition, the Board utilizes the Nominating and Corporate Governance Committee, the Audit Committee and the Compensation Committee to manage risks that arise under each committee's area of focus.

Nomination of Director Candidates

We receive suggestions for potential director nominees from many sources, including members of the Board, advisors, and stockholders. Any such nominations, together with appropriate biographical information, should be submitted to the Chairperson of the Nominating and Corporate Governance Committee in the manner discussed below. Any candidates submitted by a stockholder or stockholder group are reviewed and considered in the same manner as all other candidates.

Qualifications for consideration as a Board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, minimum qualifications include high level leadership experience in business activities, breadth of knowledge about issues affecting the Company, experience on other boards of directors, preferably public company boards, and time available for meetings and consultation on Company matters. Our Nominating and Corporate Governance Committee does not have a formal policy with regard to the consideration of diversity in identifying director candidates, but seeks a diverse group of candidates who possess the background, skills and expertise to make a significant contribution to the Board, to the Company and our stockholders. Candidates whose evaluations are favorable are recommended by our Nominating and Corporate Governance Committee to the full Board for consideration. The full Board selects and recommends candidates for nomination as directors for stockholders to consider and vote upon at the annual meeting.

A stockholder wishing to nominate a candidate for election to our Board of Directors at any annual meeting at which the Board of Directors has determined that one or more directors will be elected must submit a written notice of his or her nomination of a candidate to the Chairperson of the Nominating and Corporate Governance Committee (c/o the Corporate Secretary), providing the candidate's name, biographical data and other relevant information together with a consent from the nominee. Pursuant to our Bylaws, the submission must be received at our principal executive offices 120 days prior to the anniversary date of the mailing date of our previous year's proxy statement so as to permit the Board of Directors time to evaluate the qualifications of the nominee.

We have not employed an executive search firm, or paid a fee to any other third party, to locate qualified candidates for director positions.

Stockholder Communications with Directors

Persons wishing to write to our Board, or to a specified director or committee of the Board, should send correspondence to the Company's Corporate Secretary at the Company's executive offices. Electronic submissions of stockholder correspondence will not be accepted. The Corporate Secretary will forward to the directors all communications that, in his or her judgment, are appropriate for consideration by the directors. Examples of communications that would not be appropriate for consideration by the directors include commercial solicitations and matters not relevant to the stockholders, to the functioning of the Board or to the affairs of DataSea. Any correspondence received that is addressed generically to the Board of Directors will be forwarded to the Chairman of the Board.

Code of Ethics

We have adopted a written code of ethics that applies to our directors, principal executive officer, principal financial officer, principal accounting officer or controller and any persons performing similar functions. The code of ethics is on the "Investors — Corporate Governance — Governance Documents" section of our web site at <http://www.datasea.com>. We intend to disclose any future amendments to, or waivers from, the code of ethics within four business days of the waiver or amendment through a website posting or by filing a Current Report on Form 8-K with the SEC.

Pre-Approval Policies and Procedures

Our Board reviewed and approved all audit and non-audit services provided by our independent registered public accounting firms, and has determined that their provision of such services to us during fiscal 2020 and 2019 is compatible with and did not impair their independence.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board currently consists of Zhixin Liu, Fu Liu, Tongjun Si, Stephen (Chun Kwok) Wong, and Ling Wang. Si Tongjun and Chun Kwok Wong expressed their respective wishes not to be renominated to serve on the Board for personal/health reasons. As a result, the Nominating and Governance Committee did not nominate them to stand for re-election, and instead considered and nominated the candidacies of Douglas M. Osrow and Michael James Antonoplos to stand for election at the Annual Meeting. Their respective background information is set forth below:

Douglass M. Osrow. From June 2018 to present, Mr. Osrow served as the principal of 65098 LLC, an Internet marketing company. From October 2013 to May 2018, he held the title of Chief Financial Officer of Remark Holdings, a hospitality company. Mr. Osrow holds an undergraduate degree in History and Political Science, Northwestern University (1995) and an MBA degree from Kellogg School of Management, Northwestern University (2004). We believe that Mr. Osrow's significant business experience would be a valuable contribution to the Board and its committees.

Michael J. Antonoplos. From January 2001 to present, Mr. Antonoplos has been managing principal of Bayard Street Capital, a commercial real estate company. He holds an undergraduate degree in Psychology and Political Science from University of Pittsburgh (1974). We believe that his significant commercial and business experience would be a valuable contribution to the Board and its committees.

The Nominating and Governance Committee nominated and recommended them for the Board approval, and the Board approved and recommended vote FOR each of Zhixin Liu, Fu Liu, Ling Wang, Douglas M. Osrow and Michael James Antonoplos.

All nominees have consented to being named herein and have indicated their intention to serve as our directors, if elected. The Board has no reason to believe that any nominee would be unable or unwilling to serve if elected. Unless authority to do so is withheld, the persons named as proxies will vote the shares represented by such proxies for the election of the named director nominees. In case any of the nominees becomes unavailable for election to the Board the persons named as proxies will have full discretion and authority to vote or refrain from voting for any other nominees in accordance with their judgment. The Board nominees, if elected, will serve until the next annual meeting of shareholders or until each successor is duly elected and qualified, and will be assigned to serve on the standing committees of the Board. Biographical information for our directors is provided above in the section entitled "Information About Directors and Executive Officers."

Vote Required and Recommendation of the Board of Directors

A plurality of the eligible votes cast is required to elect director nominees, and as such, the five nominees who receive the greatest number of "For" votes cast by stockholders, entitled to vote at the meeting, will be elected. A nominee who receives a plurality means he or she has received more votes than any other nominee for the same director's seat.

The Board recommends that stockholders vote FOR each of the director nominees for election to our Board of Directors.

The Board recommends that stockholders vote FOR the ratification of the auditor appointment.

PROPOSAL 3
ADVISORY VOTE ON NAMED EXECUTIVE OFFICER COMPENSATION

We are providing our stockholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers as disclosed in this proxy statement. This proposal, which is often referred to as a “say-on-pay” proposal, is required by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”). This Annual Meeting will be the first time we present our stockholders with a “say-on-pay” proposal.

Our executive compensation program is designed to attract, motivate, and retain our executive officers, who are critical to our success. As described in the section entitled “Execution Compensation”, our executive compensation program contains elements of cash and equity-based compensation. The base salaries paid to our executive officers, including our CEO and CFO, are based on the employment agreements (as later amended) we entered into with each of them. We believe our program is designed to align the interests of our named executive officers with those of our stockholders and to reward our named executive officers for the achievement of our near-term and longer-term financial and strategic goals.

The Board of Directors is asking our stockholders to approve a non-binding advisory vote on the following resolution:

RESOLVED, that the compensation paid to our named executive officers, as disclosed in our proxy statement for the 2020 Annual Meeting pursuant to the rules of the Securities and Exchange Commission, including the compensation tables and any other related disclosure, is hereby APPROVED.

Though this proposal calls for a non-binding advisory vote, our Board and Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when making future compensation decisions for our named executive officers.

Vote Required and Board Recommendation

The approval of Proposal 3 requires the affirmative vote of at least a majority of the shares present in person or by proxy and entitled to vote on the matter.

The Board recommends vote FOR the resolution approving the executive compensation of the Company.

PROPOSAL 4
ADVISORY VOTE ON THE FREQUENCY OF FUTURE NAMED EXECUTIVE OFFICER
COMPENSATION ADVISORY VOTES

In Proposal 4 above, we are providing our stockholders with an opportunity to vote to approve, on an advisory, non-binding basis, the compensation of our named executive officers. In this proposal, we are asking our stockholders to cast a non-binding advisory vote regarding the frequency of future “say-on-pay” votes. Stockholders may vote for a frequency of every one, two, or three years, or may abstain from voting. This proposal, which is often referred to as a “say-on-frequency” proposal, also is required by the Dodd-Frank Act. This Annual Meeting will be the first time we present our stockholders with a “say-on-frequency” proposal.

Because this proposal calls for a non-binding advisory vote, our Board and the Compensation Committee may determine to hold “say-on-pay” votes more or less frequently than the option selected by our stockholders (though no less frequently than once every three years). However, our Board and the Compensation Committee value the opinions of our stockholders and will consider the outcome of the vote when determining the frequency of future “say-on-pay” votes. In the future, we will provide a “say-on-frequency” vote at least once every six years as required by the Dodd-Frank Act.

The Board believes that a say-on-pay vote every three years is most appropriate for our Company, as this will provide an effective way for the Company to periodically obtain stockholders’ opinions regarding executive compensation and allow adequate time for the Company to respond to stockholder feedback. We believe a three-year cycle will provide stockholders with time to evaluate the effects of our executive compensation strategies and their impact on our performance, financial, and business goals. By contrast, a more frequent vote might lead to a short-term perspective on executive compensation that is inconsistent with the longer-term approach taken by our Compensation Committee and with which we currently view our business.

Before making its recommendation, the Board considered the arguments in favor of more frequent votes, including increased opportunities for stockholder input and the belief that annual votes might promote greater accountability on executive compensation. After considering the alternatives, the Board believes that, on balance, a three-year cycle is most appropriate for the Company. The Compensation Committee intends to periodically reassess this triennial approach and, if appropriate, may provide for a more frequent say-on-pay vote.

Vote Required and Board Recommendation

You may vote every “1 year”, “2 years” or “3 years” for the frequency of the advisory vote on executive compensation, or you may “abstain” from voting. Because stockholders are given the option to vote on a number of choices, no voting standard is applicable to this advisory vote and it is possible that no single choice will receive a majority vote. Moreover, because this vote is non-binding, the Board may determine the frequency of future advisory votes on executive compensation in its discretion.

The Board recommends that stockholders select “EVERY 3 YEARS” on the proposal recommending the frequency of advisory votes on named executive officer compensation.

PROPOSAL 5
AUTHORIZATION TO ADJOURN THE ANNUAL MEETING

If the Annual Meeting is convened and a quorum is present, but there are not sufficient votes to approve Proposal 1, 2, 3 or 4 one or more of our proxy holders may move to adjourn the Annual Meeting at that time in order to enable our Board to solicit additional proxies. In this proposal, we are asking our stockholders to authorize one or more of our proxy holders to adjourn the Annual Meeting to another time and place, if necessary, to solicit additional proxies in the event that there are not sufficient votes to approve Proposal 1, 2, 3 or 4. If our stockholders approve this proposal, one or more of our proxy holders can adjourn the Annual Meeting and any adjourned session of the Annual Meeting to allow for additional time to solicit additional proxies, including the solicitation of proxies from our stockholders that have previously voted. Among other things, approval of this proposal could mean that, even if we had received proxies representing a sufficient number of votes to defeat Proposal 1, 2, 3 or 4, we could adjourn the Annual Meeting without a vote on such proposals and seek to convince our stockholders to change their votes in favor of such proposals. If it is necessary to adjourn the Annual Meeting, no notice of the adjourned meeting is required to be given to our stockholders, other than an announcement at the Annual Meeting of the time and place to which the Annual Meeting is adjourned, so long as the meeting is adjourned for 30 days or less and no new record date is fixed for the adjourned meeting. At the adjourned meeting, we may transact any business which might have been transacted at the original meeting.

Vote Required and Recommendation of the Board of Directors

The approval of this Proposal requires the affirmative vote of the stockholders present in person or represented by proxy holding shares representing at least a majority of the votes so present or represented and entitled to be cast thereon.

The Board recommends a vote “FOR” the approval of this Proposal.

AVAILABILITY OF ANNUAL REPORT ON FORM 10-K

The Notice of Meeting, Proxy Statement, Proxy Card and Annual Report are available on the internet at: <https://www.westcoaststocktransfer.com/dtss-proxy/>. A copy of our 2020 Annual Report on Form 10-K has been mailed concurrently with this proxy statement to stockholders entitled to notice of and to vote at the Annual Meeting, provided that we have not included the exhibits to the Form 10-K. We will provide copies of these exhibits without cost upon request by eligible stockholders. Requests for copies of such exhibits should be mailed to 20th Floor, Tower B, Guorui Plaza, 1 Ronghua South Road, Technological Development Zone, Beijing, People's Republic of China 100176, Attention: Corporate Secretary.

OTHER PROPOSED ACTION

Our Board of Directors does not intend to bring any other matters before the Annual Meeting, nor does it know of any matters which other persons intend to bring before the Annual Meeting. If, however, other matters not mentioned in this proxy statement properly come before the Annual Meeting, the persons named in the accompanying form of proxy will vote thereon in accordance with the recommendation of the Board of Directors.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for proxy materials with respect to two or more stockholders sharing the same address by delivering a single proxy statement addressed to those stockholders. This process, which is commonly referred to as "householding," potentially means extra convenience for stockholders and cost savings for companies. This year, a number of brokers with account holders who are the Company's stockholders may be "householding" our proxy materials. A single copy of the proxy materials may be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate copy of the proxy materials, please (1) notify your broker, or (2) direct your written request to 20th Floor, Tower B, Guorui Plaza, 1 Ronghua South Road, Technological Development Zone, Beijing, People's Republic of China 100176, Attention: Corporate Secretary. Stockholders who currently receive multiple copies of the proxy materials at their address and would like to request householding of their communications should contact their brokers. In addition, upon written request to the address set forth above, we will promptly deliver a separate copy of the proxy materials to any stockholder at a shared address to which a single copy of the documents was delivered.

STOCKHOLDER PROPOSALS AND SUBMISSIONS

In order to be eligible for inclusion in our proxy statement and form of proxy for our 2021 Annual Meeting, a proposal of a stockholder, including the submission of a stockholder nominee for election to our Board of Directors, must be received at our principal executive offices located in Beijing, PRC no later than April 10, 2021 (the “Deadline”). For any proposal that a stockholder wishes to propose for consideration at the 2021 Annual Meeting but does not wish to include in the proxy materials for that meeting, our Amended and Restated Bylaws require a notice of the proposal to be delivered not less than 120 days prior to the anniversary of the mailing date of our proxy materials for the preceding annual meeting of stockholders. The notice of the proposal also must comply with the content requirements for such notices set forth in our Amended and Restated Bylaws. Whether or not you expect to be present at the Annual Meeting, please sign and return the enclosed proxy promptly. Your vote is important. If you are a stockholder of record and attend the Annual Meeting and wish to vote in person, you may withdraw your proxy at any time prior to the vote.
